Step Up

When was the last time you were in need? Not a simple need but a true or desperate need. How did you fill that need? Did you work extra hard? Did you spend sleepless nights planning on how to take care of that need? Did someone come and help you?

In Acts 2 we see how the early Christians handled their needs. Acts 2:44-45 says, "And all those who had believed were together, and had all things in common; and they began selling their property and possessions, and were sharing them with all, as anyone might have need."

When the Christians saw each other in need not only do they sell their possessions, but they sell their property. They go above and beyond what we might expect. They were committed to each other. Then once they had sold their things, they shared with anyone who had a need. They saw a need and they did what they could to take care of each other's needs.

Another example similar to this is in Exodus 36. The Israelites are contributing their items so that the tabernacle could be built. The men who were building the tabernacle come to Moses in verses 5 and 6 it says, "And they said to Moses, "the people are bringing much more than enough for the construction work which the LORD commanded us to perform." So, Moses issued a command, and a proclamation was circulated throughout the camp, saying, "Let neither man nor woman any longer perform work for the contributions of the sanctuary." Thus, the people were restrained from bringing anymore." The Israelites are bringing so much that they have to be told to stop giving!

Last Sunday Alabama and Georgia faced a terrible storm that left many in a world of confusion. Their homes were damaged or destroyed, people were hurt, and loved ones were lost. We often pray for opportunities to be a light in our community. It's a tragedy that this storm came through. What will our response be? What will your response be? An opportunity is banging on your door. How will you help? What are the things that you're able to do? There are many ways to help during this time and we all have something to contribute. Let's have a response that echoes the prophet Isaiah saying, "here am I send me."

FUSION NEWS

Look Around You

We hear the phrase “put yourself in their shoes” or “walk a mile in their shoes.” What does that mean? It means to mentally place yourself in their situation. Think about the things that they are facing. Think about the struggles that may be against them. This is a way to empathize (to feel and know what they’re going through) and recognize what this person may be needing. It can be an emotional need or a physical need. Sometimes it’s both.

Most of the time when it comes to needs, we first point out our own. We recognize where we may be lacking and that can blind us to the needs of those all around us. In Philippians 2:3-4 it says, “Do nothing from selfishness or empty conceit, but with humility of mind let each of you regard one another as more important than himself: do not merely look out for your own personal interests, but also for the interests of others.”

The easy thing is to always take care of ourselves. We live in a “self-love” culture where we focus so much on ourselves that we neglect those around us. The hard thing is to look out and see those in need. Not only that but to act on it and do something. Take courage to step out and do the right thing.

Often times you guys are referred to as the “church of tomorrow” meaning that you are the ones that will keep the faith. Recognize that while you are the ones that will keep the faith, you are the “church of today.” You have **current** value and you are able to do so much **right now**. Look around you and see the needs of those that surround you then have the courage to help.
